EDUCATION

May 2019 **MLA / LANDSCAPE ARCHITECTURE**
University of Colorado Denver - Denver, CO

Dec. 2014 **BFA / FINE ART**
Kansas State University - Manhattan, KS

PRACTICE

June 2020 - Present **Ecoscape Environmental Design**

Ecological-minded, residential design + build company in Boulder, CO. Utilizing native plant communities and other ecological services to inspire a beautifully unique & comprehensive landscape design. High quality, client interaction and consistent time management, budget balancing, and project management.

Sept. 2019 - April 2020 **TRYBA ARCHITECTS**

Urban and landscape designer primarily working on planning efforts for mixed-use urban developments. Assisted with masterplanning, design guidelines, density analysis, graphic visualization and community outreach efforts between clients and municipalities.

May 2019 - Sept. 2019 **HORD COPLAN MACHT**

Landscape Architecture intern assisting on graphic and technical support for K-12, Higher education campuses, and senior living projects. Proficient use of AutoCAD, Adobe, and ArcGIS for master planning as well as concept visualization and construction documentation.

April 2018 - Mar. 2019 **MUNDUS BISHOP LANDSCAPE ARCHITECTURE**

Landscape Architecture intern assisting on graphic and technical support for public space projects. Assisted in masterplanning, design guidelines, and community-engagement events.

Sept. 2016 - May 2017 **COLORADO CENTER FOR
COMMUNITY DEVELOPMENT**

Landscape designer, grant writer, and community outreach facilitator for DOLA projects in communities throughout western Colorado.
